

NEW PRODUCT FOR 2021

SECRET-FIX SOLUTION FOR TREX TRANSCEND COMPOSITE FASCIA

Recommended* by Trex®, the fascia plug system keeps the fascia board precisely and securely in place.

- The fascia tool drills to the correct depth and prevents marring or burnishing of the fascia board surface
- Tool drives screws to the correct depth without stripping the screw recess or damaging the deck board surface
- ACQ approved stainless steel star drive fasteners
- Colour and grain matched plugs for a secret-fix finish
